Product Description

RedMax EBZ9000 Backpack Blower

Dominate any cleanup job with the industry's highest blow force.* The RedMax EBZ9000 with frame-mounted throttle packs 56 N of blow force into a lightweight design that won't weigh you down. Work comfortably no matter how long the job takes, thanks to anti-vibration LowVib® technology and the supportive hip belt. And experience unbeatable performance with up to 25% longer run-time than the competition.**

*Measuring Newtons of blow force, based on published specs of global manufacturers of backpack blowers as of 4/2024.

**Based on internal run-time testing vs leading competition in its class, per full tank of fuel.
